BUSINESS PROFILE

Creative, accurate, independent and reliable.

Passion for finding solutions using technical abilities and creative resources.

My work experience ranges from freelance to corporate business and start up companies in fields such as Finance, e-commerce, travel, art and social network.

I feel comfortable working alone and in teams.

I am always keen to learn new approaches to technology tools and processes.

EXPERIENCE

2004
to Present

Freelance Graphic Designer

Photo retouching, brochures,
logos, rollups,
website graphic elements,
html and css for pages layout.

*musicians Duo Romanelli Allevi, Italy
Photocert, London*

Graphic elements
(Illustrator, Photoshop and
Dreamweaver),
a tool to build avatars (Flash),
SEO for the pages.

loken (social network), California

Oct 2008
April 2009

Internship

I collaborated in projects
about issues of interest
in the local community:
using video camera for
in studio interviews,
in the making of a video about
the risk of driving under the
effect of alcohol and other tasks.

*Public Cable Television Authority
Huntington Beach, California*

Aug 2002
Aug 2003

Web Designer

At www.venere.com, an European Travel Accommodation Search Engine, I used to find the right solution gathering the hotel managers requisites, considering the users needs and the portal resources; as a result I built different but personalized websites, each for every luxury hotel, villas, resorts, apartment all contained in the portal structure with its own criteria.
Tools used Photoshop, Dreamweaver, Html, CSS.

Venere Net SpA
(now Expedia)
Roma, Italy

Jun 1999
Dec 2001
